

First Title scoops 'Professional Service Provider of the Year' award

We are delighted to announce that First Title Insurance plc has won 'Professional Service Provider of the Year' at EuropaProperty's inaugural Hungarian & Balkans Real Estate Awards which took place at Budapest's Hotel Marriott on 18 January 2018.

These high-profile awards recognise the best real estate industry professionals; buildings and companies across the international markets of Hungary, the Czech Republic, Slovakia and the Balkans region.

Companies were judged on their overall market contribution, quality of customer services, market innovation, commercial success, leadership and market penetration. In determining the 'Professional Service Provider of the Year' winner from a shortlist of six firms, the judges found that First Title Insurance plc demonstrated the best overall performance during 2017.

David Yearn, Business Development Manager CEE commented:

"It is always great to receive an accolade for your organisation's achievements. 2017 was a very successful year for First Title and I'd like to thank all of our clients and partners, as well as the judges who selected us. It is also important to recognise and thank the fantastic team we have in place in CEE without whom this award would not be possible."
